

# kobo clara 2E

Introducing a more eco-conscious way to read and listen with Kobo Clara 2E.

The latest travel-sized eReader is now waterproof and made with an 85 per cent recycled plastic exterior—including 10 per cent ocean bound plastic, like water bottles or CDs. It has more storage, weeks of battery life and Bluetooth® wireless technology so you can feel good about getting lost in your favourite eBook or Kobo audiobook\*.

Personalize your Kobo Clara 2E with one of four colourful and custom-designed protective SleepCovers, also made from recycled materials.

*\*Battery dependent on individual usage. Audiobooks available only in select countries. Bluetooth® wireless headphones or speaker required.*
