The Parent Company's Management Board is responsible for the preparation of interim condensed consolidated financial statements which comply with the International Financial Reporting Standards adopted by the European Union concerning interim reporting (IAS 34). Our responsibility was to issue a report on these interim condensed consolidated financial statements based on our review.

We conducted our review in accordance with the requirements of the national standards of auditing issued by the National Chamber of Registered Auditors. These standards require us to plan and perform the review to obtain moderate assurance that the interim condensed consolidated financial statements are free of material misstatements. We conducted the review mainly by analysing the data in the consolidated financial statements, inspecting the consolidation documentation, and making use of information obtained from the Parent Company's Management Board and persons responsible for financial and accounting matters in the Group.

The scope and methodology of the review of interim condensed consolidated financial statements is significantly different from the scope of an audit aimed at expressing an opinion on compliance of the consolidated financial statements with the applicable accounting policies and their fairness and clarity, therefore we cannot express an opinion on the attached consolidated financial statements.
